What Shall I do, Doctor?

What would you do—you have no telephone? It isn't pleasant to think of sickness or accidents, but they DO come, often when you're least prepared. A Bell Telephone would be invaluable then—to get the doctor, QUICK, or to have the druggist rush over with a "first aid."

If you're still without this never-sleeping "watch-dog," call the Business Office and arrange for service, today.
